 Female

 Married

## Languages

- Arabic\_Native
- English\_Very Good

## Skills

- embryologist in ICSI lab.
- IUI
- Hormone and seminal fluid analysis.
- Laboratory technician

## Published researches

- Developmental changes in fetal male gonads associated With administration of oral contraceptive pills to their mothers during pregnancy. SM Saeed, B.T.\*, Al-Juboori, B.M.\* , Al-Nida iraqi J. embryos and infertility research 1 (2), 45-52 /2011
- Status of Zinc and copper concentration of seminal plasma on male Infertility and their correlation With various sperm parameter T Basil oiad, naWal khiry, ali yakob Iraqi postgraduate medical journal 7 (1), 76-80 /2008
- Effects of Cadmium on sperm parameters, histological and hormonal changes in testes of BT Saeed

## Experiences

- Assistant Professor in the High Institute of Infertility Diagnosis & Assisted Reproductive Technologies / AL-Nahrain University
- Member of Laboratories of Assisted Reproductive Technologies unit since 2006.
- Editorial board member in chief of IRAQI Journal of Embryos and Infertility Researches (IJEIR)

## Teaching Experiences

- (Theoretical and Practical Line):
- General histology
- Reproductive Micromanipulation
- Embryology
- Assisted Reproductive Technologies
- Assistant Professor in Practical and Theoretical lines for M.Sc. Applied Embryology in Clinical Infertility and ART's students:
- General histology
- Advanced Embryology
- Applied Embryology

## Certificate

Granted for many appreciation certificates in the scientific & administrative fields
